NATHANIEL ATKINS

WEB DEVELOPER

MY OBJECTIVE

I am ambitious and wish to pursue a career as an established developer. I have a strong interest in the field of technology. I am a dedicated worker and problem solver, seeking out solutions until I complete my projects. I am new to this field and excited about it. I am looking for a company that I can grow with and learn new skills.

EXPERIENCE

WEB DEVELOPER

SEPTEMBER 2020 – PRESENT

I'm working independently, gaining experience with customers, working within their guidelines, and adjusting based on their feedback. Utilizing my tools as a developer to create a polished product to the customer's specifications.

FRY'S ELECTRONICS

MARCH 2018 – MARCH 2020

Managed the Computers and Components departments. Worked in the Audio Video department. Store and department manager and salesperson.
